1. Introduction

It is our absolute pleasure to warmly welcome you into our dance family at **Tempo Red Academy of Performing Arts**. Our team is thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of queries you may have before the year begins. Please take the time to read this information carefully and keep your handbook in a safe place to refer to as you need. Our friendly Director and staff are always here to help too and will happily answer any queries you may have. Nothing is too big or too small, we promise! 😊

2. Studio Mission, Vision, and Values

OUR MISSION

We create a home for healthy self-expression, nurturing the physical and emotional wellbeing of our students and igniting their **PASSION** for the Performing Arts.

OUR VISION

Our vision reflects our belief that our dance environment is unique and positive, where students are surrounded by good values, discipline, and a large focus on empowering each individual child to be the best they can be! We encourage **hard work, integrity and diversity, and a safe place for healthy self-expression**. We achieve this through providing the most dedicated and experienced teachers that nurture each student's unique talent and creativity and build confidence and a love of the performing arts.

Our teaching techniques and programs encourage our students to **reach their fullest potential** and support them as they grow artistically and holistically, into well-rounded individuals with a strong foundation in Performing Arts. At Tempo Red, we pride ourselves on developing the "complete" performer. **We invest time into each individual student** of the "Tempo Tribe" and help develop their skills as well as educate them for life.

We have a **strong ethos on treating oneself and others with respect** and a zero tolerance of bullying or any nastiness from students, parents, or staff. This creates a supportive and family vibe which results in a loving, happy, and positive energy flowing through the studios and building lifelong Friendships.

OUR VALUES

A safe, creative place for healthy self-expression.

At Tempo Red we believe that our dance environment is unique. We ensure that our students are surrounded by a positive environment with good values, discipline and a large focus on empowering each individual to be the best they can be!

Our students are offered opportunities that develop their artistic and aesthetic education as well as establishing long life practices on good health for mind, body and spirit, which provides a strong higher self.

We believe in working together to achieve our goals. We encourage our students to not compare themselves with one another but to challenge their own individual abilities. Therefore, we encourage an environment that is purely empowered by PASSION.

We create an environment that is purely empowered by **passion** and where students grow through our values of **LOVE, INSPIRE, CREATE & BELONG** in each stage of their dance journey.

Our Values

Where the love of dance begins ...

Minis

Your child will feel adored, special, and important as we welcome them into our dance family. We nurture students from their very first lesson and throughout their Performing Arts journey with us. Our teachers are dedicated and passionate about delivering the best training and provide individual care to all of our students.

Petites
5 - 7 years

We are committed to providing the highest quality dance instructors and programs to keep our students inspired. We are also dedicated to training our dancers with a holistic approach to the arts, maintaining optimum physical and emotional wellbeing.

Creative movement and collaboration gives each child the opportunity to express themselves. We give our students every opportunity to explore the creative process within their learning to develop higher-level thinking whilst boosting their confidence and self-esteem.

We embrace each child in a positive and caring environment that allows beautiful friendships to blossom and learning to flourish. We believe in encouraging a respectful and supportive family, where we lift each other up and show kindness to each other. The friendships made at Tempo Red last a lifetime.

7. Age Groups and Classes

Preschool Programs

Babyballet is an introduction to ballet for little ones, using creative and fun songs, dances and props. This class may involve (but is not limited to) learning basics of ballet such as plies and feet/arm positions, skipping, using bears and other props, progressions across the room and turns, all while developing balance skills, motor skills, and hand-eye coordination, learning discipline and making friends. This class is suitable for both boys and girls who are having so much fun that they do not even realise that they are learning the fundamentals of ballet technique along the way.

Tots

The Tots class for our 6 months – 18months is a magical musical experience for parents/carers and babies and young toddlers, to enjoy together. Using a combination of movement, music and props/toys, the Tots class is a great way to enhance your babies physical, communication and social/emotional development. The class provides a stimulating yet gentle introduction to song and dance, improving body awareness and self-control.

Tinies

Is a great class for our **18 months to 3-year-olds** and teaches the very basics of dance, with parent participation exploring movement together through play and song encouraging our them to transition into a new environment.

Movers and Tap

Are for our more independent pre-schoolers (**3 – 5 years**). They expand on the techniques learnt in Tinies we have extended their learning at this stage by providing a tap component to the program that teaches them about counting rhythm and beats as well as focusing on coordination and balance. Once our Movers turn 4.5 -5 years, they can then transition easily into our **Pre-Primary R.A.D Ballet program** that continues their skills in ballet through the Royal Academy of Dance Syllabus (R.A.D Ballet) as well as being able to join our after-school Petites programs that offer many of our other genres like Jazz, tap, lyrical, musical theatre, Hip hop, acrobatics, Circus and more!

Little Monkeys Circus Program

Calling all PRESCHOOLERS! Little Monkeys Circus classes are super fun classes for students **aged 2-5 years**. Watch your little one gain confidence and learn new skills.

8. Timetable

Timetabling our classes is a huge task and we take all care to ensure that children are given classes at an age-appropriate time without long hours that may lead to fatigue or disrupt home / school life. You will find our full timetable for 2024 for both our afterschool classes and our babyballet & little Monkey classes on our website www.tempored.com.au under **TIMETABLE**

9. Safety

With the safety of our families a number one priority, **Tempo Red Academy** is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please see our office staff or director who will happily assist you.

We have several viewing windows within the studio rehearsal space which currently can be utilised by a parent, family member or guardian of our preschool age students from the comfort of our waiting area. All our teachers and staff members have undergone official checks allowing them to work with children.

While we encourage parents to use these windows to view their children's classes whenever they like; we do emphasise that this can be distracting, and to please keep it to a minimum where possible.

The directors and staff at **Tempo Red Academy** are educated in the negative impact of inappropriate music and costume selection when it comes to performing dance routines and are wholeheartedly committed to ensuring children in all our dance routines are not subjected to any inappropriate songs or costuming. As outlined earlier in this document, **Tempo Red Academy** takes no responsibility for any stolen or misplaced property on the studio premises, and we encourage our families to avoid bringing valuable items into the studio where possible; and to label all items.

11. Ballet Exams

As a studio who values the growth and commitment of our dancers from all ages, it's our pleasure to offer exams to students in Ballet as a part of the **R.A.D (Royal Academy of Dancing) program**.

Exact dates will be confirmed later via e-mail. We encourage all students who attend 2 ballet classes per week (required at Tempo Red) to attempt their exams.

While exams are not compulsory, our syllabus/program for R.A.D is the most highly recognised ballet syllabus worldwide. If your child is considering continuing to dance vocationally as they grow older, we strongly recommend completing your R.A.D exams annually and Ballet becomes a prerequisite for other genres of dance.

On a side note, our vast experience shows that formal exams present a unique opportunity for the children to display and take pride in how hard they work and are able to progress in their classes. Our exam students always find their exam experience to be uplifting, beneficial and rewarding.

As part of the exam preparation, exam dancers may need to attend additional lessons and/or an assessment day to prepare their readiness for the exam.

The cost of the exams will be announced when released by R.A.D.

What happens in a ballet exam?

Students take their exams at the Royal Academy of Dance in Darlington. Information on hair and correct grade attire will be instructed by student's ballet teacher(s).

We will run a mock exam closer to their set exam time and will cover the following:

Exam students will learn their examiner's name prior to the exam so they can greet them by name. For example: "Good Morning Mr., Hartley."

Over the course of **90 minutes**, they will perform their entire syllabus for the teacher, both as a group and individually.

There **is not** a theoretical/written exam involved. It usually takes about **6 weeks** for all exam data to be compiled, but once the **examining body** has completed the marking process your child will be presented with their exam grade, percentage, an exam certificate, as well as comments and areas for improvement on their performance.

Your child's exam results, and certificate will be awarded in class once they are ready and have arrived at the studio.

12. Uniform

2. No shows or failure to notify the school/teacher within 24 hours is considered a forfeited lesson.
3. No more than 2 cancellations per set of 5 lessons.
4. If you know of dates ahead of time where you/your child cannot make a lesson, please notify the school when booking/paying for your lessons.

MAKE UP LESSONS:

1. Any lessons cancelled at least 24 hours ahead of the scheduled lesson will receive a make-up lesson at a time convenient to both the teacher and the student. This makeup lesson will not be skipped over or added to the end of the set of term lessons.
2. Typically, make-up lessons take place at an alternate time/day within the week. In some cases, the make-up lesson will be added after/before the original lesson time, enabling the student to have an hour lesson.
3. Make-up lessons not used after 3 months will be considered forfeited.
4. A make-up lesson can be booked with your teacher directly or with Tempo Red administration.

HOW TO ENROL & PAY FEES with AUTO -PAY :

First, you will need to login the [parent portal here](#).

You will need to search for yourself in the system.

When the system doesn't find your details (this will apply for new students) you can then go ahead and make an account for yourself and for your dancer.

Important note: Please register a different person to yourself as an emergency contact. We will always call the primary parent first. However, we do require an additional person to be listed in the unlikely case of not being able to reach you.

Once you have set up your parent and student profile, you will find there is an icon '**Autopay**' on your **homepage of your parent portal login**.

You can click on this, and you will need to register in this before being able to register for classes.

After Autopay has been completed you can go ahead and select your class / classes.

Now you can click the green button that says, '**Finish registration now**' and follow the prompts to pay with the card the first time.

Auto-pay will run on the last Friday of each term to pre-pay your next term with us.

If you ever want to add, swap, or take a pause on classes, you'll just need to let us know before that date to ensure your fees do not run.

Once your payment has gone through your place is now secured and we warmly welcome you to our Dance Family.

14. Attendance

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the routines we create, but it also impacts the social and confidence-building principles we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments, or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our admin team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

15. Social Media

Tempo Red's social media Policy refers to all social networking sites, video/photo sharing sites, blogs, micro-blogs, wikis, podcasts, forums, instant messaging, and geo-spatial tagging (for example, Facebook check-ins). Please see below for our regulations regarding social media and feel free to contact our office staff if you have any questions.
